ABOUT	<p>I love to travel and communicate. I've visited 14 countries. I always happy to meet new people. I like team sports and board games.</p> <p>I have experience to deliver results within project's resources and time constraints. I know how to design an application that will be extensible in the future and convert it into components that can be easily extended and reused.</p> <p>I have good communication skills to articulate thoughts clearly. If I don't know something, I'll go and find out. And I'll share this knowledge with a friend.</p>
